

KINDNESS PROJECT

Malak Elgendy & Siria Vallucci

About Siria

Hello!! My name is Siria Vallucci, and I'm a junior at Ewing High School. I'm a first-generation Italian immigrant and a very involved student who loves being part of my school community. I'm the president of Drama Club, Junior Student Advisor, a member of Unified Club, Student council and Key Club, and I also sing in multiple choirs. I've always been known as a friendly and outgoing person who truly cares about others. Past experiences have taught me the importance of empathy, kindness, and inclusion, which inspire everything I do and my passion for volunteering. Helping others and seeing and putting smiles on people's faces reminds me why I love giving back to my community. My goal is to continue spreading kindness and making a difference wherever I can.

About Malak

Hi, my name is Malak Elgendy, and I'm Egyptian American and a junior at Steinert High School. As a first-generation immigrant, I've learned the importance of compassion, community, and helping others feel supported. I'm a junior class officer, and president/founder of Steinert's Muslim Student Association. I also am part of many clubs including volunteer ones such as Teens on Fire (Embright Education), Key Club, and SGA. I volunteer at my local mosque, schools, and with clubs/organizations at my school! The volunteer work I do is a huge part of who I am and the make up characteristic's I uphold.

HOW WE CAME TOGETHER!!

Our Project

Our goal is to create a space in school where students can discreetly access items they may need without feeling embarrassed to ask. Eventually, we hope to expand this initiative into a “Kindness Closet” that includes clothing donations, school supplies, sports equipment, and other essentials.

Why this
Project?

PROBLEM

- Some students lack access to basic self care products, or can not reach them at the time.
- Asking for help can be uncomfortable or embarrassing.
- This can affect confidence, participation, and comfort in school.

SOLUTION

- Create an easy, discreet way for students to access self care items.
- Build kindness stations in schools stocked with essentials.
- Eventually expand into a Kindness Closet with clothes, supplies, and more.

BRANCHES

- **EWING HIGH SCHOOL**
 - 2 stations set up
- **STEINERT HIGH SCHOOL**
 - 1 station set up/ 2 essentials bags created/delivered to locker rooms
- **REYNOLDS MIDDLE SCHOOL**
 - 2 essentials bags created/delivered to nurses office

OUR BUDGET & MATERIALS

- \$300 provided by One Project NJ
- Purchased items:
- Deodorant (men's & women's)
- Brushes & combs, Dental Floss
- Shampoo & conditioner & soap
- Chapsticks, pimple patches, nail files
- Hygiene kits (toothbrush, toothpaste, comb)
- Spoolies and edge brushes

COLLAB

- Partnering with Steinert's nurse
- Supported by Ms. Amy and One Project NJ
- Connection between Steinert and Ewing High Schools

EWING PHOTOS

FUTURE GOALS

- Expand our project throughout multiple classrooms in various highschools
- Host fundraisers to be able to continue supporting and restocking the stations
- Create essential kits for teachers to keep in their desks
- Connect student's between schools to foster new friendships

IMPACT

- Promotes kindness & compassion
- Reduces stigma around need
- Builds empathy and community across schools

SOCIAL MEDIA

Instagram: Kindnessprojectnj

- Every week a new vocabulary word will be posted connected to ideas of kindness

kind·ness

noun /'kɪn(d)nəs/

the quality of being friendly, generous,
and considerate.
