

Foster Children

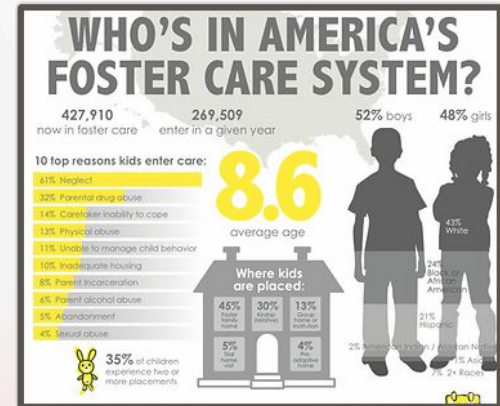

Why Foster Children?

Problem?

- Foster children often face significant challenges in accessing basic necessities
 - Clothes, hygiene products, toys
 - Unstable housing, multiple placements, overcrowded conditions, exploitation
 - affect their physical and emotional well-being

Less than 2 in 5
foster children are
covered by federal
foster care
spending

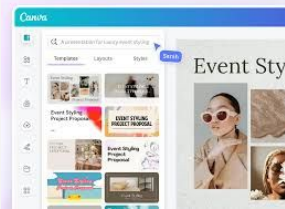

Plan:

Phase 1:

Research about foster care
(December-February)

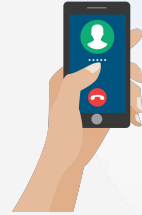

Phase 2:

Design an enticing flier to
attract organizations attention
(March-May)

Phase 3:

Contact potential
organizations to explain
my mission and ask for
donations in form of
money

Phase 4:

Contact organizations
that collaborate with
foster children and
explain my mission
(June-August)

Phase 5:

Obtain donations
(form of money)
that will go
directly to the
foster children
(November-pres
ent)
