About Me

Princeton High School Class of 2027

Piano 11 years

Volleyball 4 years

I enjoy baking, reading, and learning about science

Problem and Solution

My love for animals runs deep, but I wanted to help beyond my own home. I chose shelters because they are where loving animals, through no fault of their own, need our compassion the most.

Shelters lack:

- Funding and resources
- Space and adoption rates
- Public awareness about adoption

Solution:

Awareness: Use education and social media to bring awareness

Funding & support: Crafts and fundraisers provide direct financial aid and supplies

Project Timeline

Organizations and Locations

**Greater Princeton Alliance of
Youth Leaders**

SAVE Animal Shelter

Princeton Public Library

Event

We crafted:

12 blankets
4 snuffle mats

@ Princeton Public
Library

Pawsitive Project presents:

CRAFT COMFORT FOR SHELTER PETS

Join us for to make DIY Snuffle Mats & No-sew Blankets!

We'll create cozy blankets and interactive enrichment toys, then donate everything to SAVE Animal Shelter. All materials included.

Supplies Welcome!
Donations of canned pet food (no wet/pouch food), new toys, leashes, or harnesses are gladly accepted.

When: Thursday, October 2nd
Time: 2:00-4:00 PM
Where: Princeton Public Library
(First floor quiet room)
Age limit: 10 yrs and above!
